

Summer 2006

Appliantology

Ice Cold Beer:

In this issue, we'll talk about things you can do to ensure that your beer stays at that perfect swilling temperature even on the hottest days this summer.

My two little Samurai guys at the summit of Mt. Lafayette. See our latest hiking pics [here](#).

HOW TO KEEP YOUR BEER COLD

And a few other pearls of wisdom...

The Warm Refrigerator Fire Drill

Here are the top five links on this subject:

1. [What to check when your refrigerator starts warming up.](#)
2. [Refrigerator warming up and making an occasional clicking sound.](#)
3. [Refrigerator FAQ's.](#)
4. Search my site for "[warm refrigerator](#)."
5. Browse all my posts on "[refrigerator repair](#)."
[Hanta Yo!](#)

Podcasts to Help You Fix It Now

We've done 14 podcast episodes so far with plans for lots more. Listen to 'em all for free at our [podcast homepage](#). You may be especially interested in our last two episodes: [How to Use Fixitnow.com](#) and [Appliance Service Calls](#). Word up. [Mazel tov](#).

Samurai's Photo Galleries

I've consolidated all my vast and awesome galleries of appliance repair and hillstomping photo albums into one convenient little page with its own little domain name: [Otterville.com](#). Be there now.

Forum Update

The [Samurai Appliance Repair Forum](#) remains the single best place for personalized, interactive help. Be sure to [include your model number](#) in your post. We've also added a couple of new forums for your reading pleasure: [HVAC](#) and [Computer Problems](#).

Elsewhere on the Web

A [web page protesting iPods for not shuffling songs randomly enough](#). Truly, a life devoid of meaning.

Service Call at the AMC Guyot Shelter...

it turned out to be a prank call; this is just an empty shelter for backpackers. [Bubba checked it out](#).
